

**The Broome Horse Riders' Club Inc
will be holding it's last busy bee of the year on
Sunday the 1st August from 7am**

We're reaching out to the Broome Community for a hand!

We will be removing undesirable trees to make way for new ones in time for this year's rodeo season:

Do you need firewood? Does your organization need a location/trees for a chainsaw safety course? Or do you simply have some spare time to help a local not for profit organization out!?

Also, if you need horse poo for your garden, come on out...we have plenty!

Morning Tea & Water provided. Protective clothing, footwear, gloves and hats recommended.
