CAMPDRAFT JUDGING

@amomenttocherishphotography

A campdraft judging workshop is to be held on the Wed 22nd (half day) and Thurs 23rd of September through the Australian Campdraft Association.

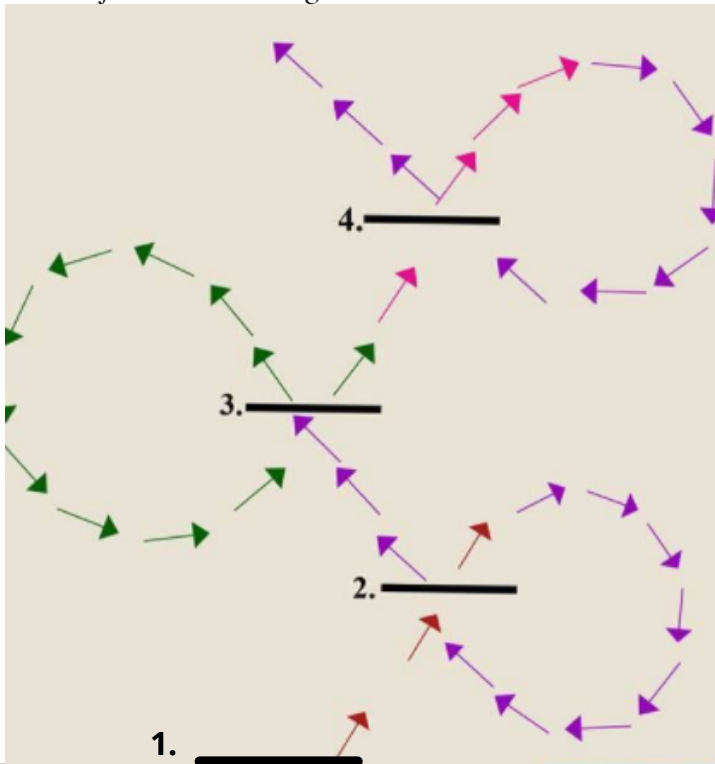

This has come about after a widespread issue with being able to fly in judges from over east due to covid. We simply don't have many in WA.

Contact secretary@bhrc.net.au for more information!

FARRIER VISIT

Ross will be back up the first week of September to get everyone's feet done!

Contact Mel Ross to get your time slot booked in. Remember to be on time for your time! Ross works fast & on a tight schedule!

WHY POLES?

Looking for a way to get your horse thinking, bending & flexing? There's a reason why pole work is a tried and true method for all equestrian disciplines.

Get those legs lifting and that butt working and try this exercise out for a little something different!
