

BROOME HORSE RIDERS' CLUB

# CYCLONE PROCEDURE

DFES CYCLONE ALERT LEVELS MUST  
ALWAYS BE FOLLOWED

## BHRC CYCLONE POLICY:

- In the event of a cyclone becoming a threat, all agistees shall be responsible for their own horses, whether owned or leased by the agistee.
- In the event of a cyclone threatening club premises, neither Broome Horse Riders Club Inc nor any of its said Committee, sub committees or officers shall be responsible for the well being or moving of any horses.
- In the event of a cyclone threatening club premises, neither the Broome Horse Riders Club Inc nor any of its Committee, sub committees or officers shall be responsible for injury or death to horses or damage caused by horses, which remain on Club premises.
- Each agistor will be responsible for removing or securing all loose objects (feed bins, wheel barrows, rakes, horse floats etc) in their yard and storing in the hay or feed shed until the all clear is sounded.
- All agistors are responsible for packing away Club equipment e.g. poles, barrels etc.
- Horses may be left in their own yards, arenas, water yards, campdraft paddock, campdraft holding yards, roundyards or other safe place until the all clear is sounded at the agistee's own risk.
- No horses will go out to graze after a cyclone until all fences and water troughs have been checked.
