

Induction to the Broome Rodeo Grounds

In preparation for your upcoming visit/works at the Broome Rodeo Grounds, please note the below while on the Broome Rodeo Grounds:

- No entry permitted into horse agistment yards & grazing paddocks unless required to complete works.
- Do not feed, approach or attempt to pet any horses. Horses have the potential to be very dangerous.
- The Broome Rodeo Grounds is a wildlife corridor. As such, please do not chase, attempt to catch or harass the wildlife.
- All gates must be kept shut: if you open it, shut it immediately. Please do not leave open for any amount of time: gates keep any horses that may have gotten loose contained and away from the road.
- Horses and pedestrians have the right of way. If you are required to drive through the grounds and someone is approaching on horseback or leading a horse, please give way if possible and stop.
