NOVEMBER 2022 NEWSLETTER

This Month's Reminder:

Please do not put rubbish in the newly cleaned kubota shed area. A green waste collection morning will be arranged soon.

2022 Annual General Meeting:

Saturday December 10th 2022 @ 6pm

All positions are vacant!

Most committee members will NOT BE RETURNING so we need nominations, people! Email your nomination through so the committee can contact your nominee!

Accounts will be emailing your statements through, you must not owe any money to the club through November (not including December's agistment fees) to be able to vote/be nominated.

Committee position FAQ's can be found on our website [here](#)

Committee members are volunteers who are all busy, just like you. Please commit to volunteering your time to the Club even if it is just for the year, even if you're new to the grounds!

Around the Grounds

- Want to drive the kubota? Ask the committee about the next Kubota Training session.
- **YOUR HORSE CANNOT ROAM.** Free grazing is not permitted. Your horse must be held or tied to something. This is in your agistment agreement, breaches to the agreement can be penalised.
- Make sure manure is removed regularly. If your horse has left for the wet please make sure your yard is clean and manure picked up.
